make more of your floor

wash+dry high performing mats, rugs and runners offer exceptional functionality and design for every space in your home. **wash+dry** combines the easy-to-clean properties of a floor mat with the visual appeal of an exclusively designed area rug. The entire collection is backed with premium anti-slip nitrile rubber backing, and the carpet is made of high-quality nylon that is soft, durable, and stain resistant. **wash+dry** mats effectively trap dirt, dust, and allergens while stopping moisture from damaging your floors. The low-profile construction prevents them from getting caught under doors while the reinforced borders keep them flat and safely in place. To maintain their hygienic properties, **wash+dry** mats are 100% machine washable and dryable and can be cleaned with a vacuum between washes. The range is suitable for use with underfloor heating, making it a practical designer choice.

wash+dry mats have a 5-year manufacturer's warranty and are approved by OEKO-TEX® Standard 100 and the National Floor Safety Institute.

KLEEN-CAR

This robust car protector effectively captures dirt, mud, and debris, preventing it from settling into the trunk of your vehicle while the rubber attachment protects your bumper from scrapes and scratches.

Materials

- 100 % recycled PET fiber pile
- 100 % nitrile rubber backing with 15% recycled content

KCLG

PRODUCT DETAILS

wash+dry mats, rugs and runners are for placement on hard surfaces such as tile, linoleum and hardwood. They are designed to complement any room in the house to include entryway, hallway, kitchen, bath, laundry, etc. Mats are suitable for dry outdoor applications such as a covered entryway or porch.

Confidence & Safety

We offer full transparency in the production and application of our products. With **wash+dry** you can be assured that you have made the right choice.

- No hazardous materials or toxic substances
- Responsibly produced and safety tested
- Anti-allergy properties
- Non-staining on surfaces with proper maintenance
- Suitable for under-floor heating
- OEKO-Tex Standard 100 / IS-OETI Tested
- High-traction rubber backing certified by NFSI (National Floor Safety Institute)
- Five-year manufacturer's warranty against defects

Cleaning

wash+dry mats, rugs and runners can be cleaned in your home laundry appliances. In fact, the more you wash and dry your mats, the better they will look and perform. Follow manufacturer's directions regarding load size and balance. Use minimal detergent, one tablespoon or one wash pod, and no bleach. Wash carpet side out with warm water on a medium cycle. Tumble dry pile side out for a few minutes on warm setting or air dry. That's it!

- Wash and dry without loss of color
- Hygienically removes dirt, germs, and stains
- No creasing after wash and dry cycle

Fields of application & Hints

wash+dry mats, rugs and runners can be used in many residential areas, as they provide high performing, decorative accents indoors and outdoors. They are ideal for use on all clean, dry, and untreated floors. Please never lay the mats on a damp surface, as they will lose their non-slip properties and the floor under the mats will not dry out.
